San Fernando East Recount Completed

The Elections and Boundaries Commission (the Commission) advises that the official recount for the San Fernando East constituency in the 2025 Parliamentary Elections has been completed successfully.

The official final vote count for the San Fernando East constituency is as follows:

- PNM – 7017
- UNC – 6344
- PF – 502
- Rejected Ballots – 64

This concludes the three general recounts requested by the United National Congress (UNC). All recounts were carried out according to Election Rule 101 and included the verification of poll cards, in line with established electoral procedures.

The Commission remains committed to transparency, accuracy, integrity, and ensuring public trust in the electoral process.
