

# ERRATA SHEET

Following the production of the *Fourteenth Report of the Elections and Boundaries Commission on the Boundaries of the Electoral Districts in the Electoral Area of Tobago* (the Report), an audit of the Tobago Polling Division (PD) subdivision exercise was conducted. This disclosed latent misregistrations resulting from unclear and/or inconsistent street naming within PDs forming part of the Electoral Districts of Mason Hall/Moriah, Bagatelle/Bacolet, Plymouth/Black Rock and Bethesda/Les Coteaux.

The Commission sought to further enhance the accuracy of electorate summaries through successive field investigations within impacted PDs to ascertain the residential location of electors as of the 7<sup>th</sup> July 2025 – to be consistent with electorate figures used throughout in the Report’s analysis.

The field investigations identified misregistrations in the Electoral Districts of Mason Hall/Moriah and Bethesda/Les Coteaux, resulting in changes to electorate figures in these districts, and subsequently in Bagatelle/Bacolet and Plymouth/Black Rock through respective transfers.

**These revisions do not necessitate changes to the recommendations made herein.**
