Republic of Trinidad and Tobago

17th March, 2014

Senator the Honourable Marlene Coudray
Minister of Local Government
Kent House
Long Circular Road

Dear Minister

Report of the Elections and Boundaries Commission on the Local Government Election held in Trinidad on Monday 21st October 2013

This Local Government Election is of historical significance in that for the first time in electoral politics in Trinidad and Tobago a system of proportional representation was introduced for the selection of Aldermen to Municipal and Regional Corporations.

Previously, the number of Aldermen to be elected to the Councils of Municipal Corporations were as follows: City of Port-of-Spain – 4; City of San Fernando – 3; Borough of Arima – 2; Borough of Point Fortin – 2; Borough of Chaguanas – 2; and, to each Council of a Regional Corporation – 2. Further, Aldermen were elected by Councillors.

However, by virtue of Act No. 13 of 2013: the Act that amended the Municipal Corporations Act, Chap. 25:04 (the Act), four (4) Aldermen are to be elected to each of the Municipal and Regional Corporations. Thus, whereas before the advent of the new legislation there were thirty-one (31) Aldermen to be elected in Municipal and Regional Corporations, this number was increased under Act No. 13 of 2013, to fifty-six (56).

In the new dispensation the Elections and Boundaries Commission (the Commission) is responsible for allocating the number of Aldermen to each party contesting a Local Government Election on the basis of the election results, by application of an arithmetical procedure described in Act No. 13 of 2013. In addition, the Commission is responsible for declaring the persons to be named as Aldermen in each Council, such persons being selected by parties from a *List of Aldermen* which they would have provided previously to the Commission.

There were challenges in giving effect to the provisions of Act No. 13 of 2013. Challenges which could have been more easily overcome if the Commission had been consulted before the Bill was presented to Parliament. As it was, the Commission was reduced to obtaining a

copy from the media to which comments were made which would seem to have been ignored.

In fulfilment of the requirement as specified in sub-rule (6) of election rule 108 of the Representation of the People Act, Chap. 2:01, viz. that the Elections and Boundaries Commission shall "... after each election cause to be printed a report giving:

- “(a) the number of votes polled for each candidate, by polling divisions;
- (b) the number of rejected ballots;
- (c) the number of names on the revised lists of electors and on the list of special electors; and
- (d) any other information that it may deem fit to include,”

the Commission now therefore submits said report on the Local Government Election held on Monday 21st October, 2013.

Appendix I contains the data in respect of (a) and (b) of the foregoing; and **Appendix II** provides the information required under (c).

Other matters as required to satisfy (d) are given in the following:

1. Electoral Registration and Revised List

The date of the Local Government Election was announced by the Prime Minister on Thursday 29th August 2013, fifty-three (53) days before polling day: 21st October, 2013. Electoral-Registration activity ran from 10th-18th September inclusive, during which time there were one hundred and forty-one (141) first-instance registrations; one thousand, two hundred and ninety-five (1,295) notifications of change of address comprising; five hundred and fifty (550) within registration areas and seven hundred and forty-five (745) amongst registration areas.

The Preliminary List of Electors which contained one million and thirty six thousand three hundred and thirteen (1,036,313) names was thereby increased to one million and thirty six thousand seven hundred and twenty one (1,036,721), the number of electors on the Revised List. A Supplemental List of Electors accounted for a net addition of ten (10) electors. Therefore the October 21st 2013 Local Government Election was conducted on the basis of an Electoral List containing a total of one million and thirty six thousand seven hundred and thirty one (1,036,731) names. Of this total eleven thousand seven hundred and six (11,726) and equivalent to 1.1% were special electors.

The Revised List of Electors as amended by additions and deletions in the Supplemental List for the previous Local Government Election held on 26th July 2010 contained nine hundred and ninety-eight thousand, eight hundred and nine (998,809)

names. Of this number twelve thousand, one hundred and sixty-two or **1.2%** of the total were special electors.

2. Polling Stations and Staffing

Fifty-three (**53**) Returning Officers were warranted by His Excellency the President of the Republic of Trinidad and Tobago to conduct a poll in each of the one hundred and thirty-six (**136**) Electoral Districts of the fourteen (**14**) Electoral Areas of the Municipal and Regional Corporations. They were deployed as follows: twenty-eight (**28**) Returning Officers each with responsibility for three (**3**) Electoral Districts; twenty-four (**24**) each with two (**2**); and one (**1**) with four (**4**). Polling Divisions numbered one thousand, five hundred and sixteen (**1,516**) and polling stations two thousand and eighty (**2,080**).

Eleven thousand, six hundred and fifty-seven (**11,657**) poll-day staff comprising Presiding Officers, Deputy Presiding Officers, Poll Clerks and Officers-in-Charge of ballot boxes were selected from a group of twelve thousand, seven hundred and twelve (**12,712**) persons who underwent training. One hundred and eighty-three (**183**) Roving Officers were deployed throughout all Electoral Districts, while four hundred and eighty-six (**486**) Information Officers were assigned to polling stations.

3. Contesting Parties and Conduct of the Poll

On Nomination Day, 30th September 2013, four hundred and twenty-nine (**429**) candidates were nominated. The breakdown is as follows:

Name of Political Party	Number of Candidates Nominated
Congress of the People	52
Independent Liberal Party	130
Movement for Social Justice	16
National Joint Action Committee	9
New National Vision	2
People's National Movement	136
Seers Team	3
United National Congress	77
Independents	04
Grand Total	429

Subsequently, one (**1**) nominee of the PNM withdrew his candidature before the election. As a result, a total of four hundred and twenty-eight (**428**) candidates contested the election.

For ease of reference the names of the contesting political parties and independent candidates, symbolic representations and descriptions thereof as well as the number of candidates are given in the following tabulation.

Name of Political Party	Abbreviated Initials	Description of Party Symbol	Number of Candidates
Congress of the People	COP	The Circle of Circles	52
Independent Liberal Party	ILP	A single sugar cane stalk at the left of a pumping jack above the letters ILP enclosed by two circles, the inner of which is broken at the top of the sugar cane stalk. Independent Liberal Party is written between the two circles at the lower arc	130

4. Exercise of Franchise

The total electorate who voted in this Local Government Election amounted to four hundred and fifty-one thousand, one hundred and sixty-five (**452,031**) equivalent to a voter turn-out of approximately **43.6%**.

5. Incident involving Mis-allocation of Ballot Papers in the Electoral Districts of Techier/Guapo and Newlands/Mahaica of the Electoral Area of Point Fortin

On polling day it became necessary for the Commission to order the immediate suspension of voting at Polling Station No. **4696** located at the Guapo Government Primary School in the Electoral District of Techier/Guapo and also at Polling Station No. **4730** located at the Point Fortin R.C. Primary School in the Electoral District of Newlands/Mahaica.

The suspension was ordered as soon as it was discovered that the assigned Returning Officer had issued the wrong ballot papers for use at these two Polling Stations. Several electors had voted using the wrong ballot papers in the two Polling Stations before the mistake came to light.

The ballots that had been cast before the error was brought to light were destroyed and voting was resumed on the following day, Tuesday 22nd October 2013, from 6:00 a.m. to 6:00 p.m. with the proper ballot papers.

In arriving at its decision that voting should be suspended and resumed the following day, the Commission noted that precedent for such action had been established in 2003 when on Poll Day for the Local Government Election held in that year on Monday 14th July, the Commission ordered the suspension of voting at Polling Station **3225-1** located at the Claxton Bay AC School in the Electoral District of Balmain/Esperanza/Forres Park, due to the discovery that the wrong ballot papers had been used in that polling station. The matter was successfully remedied in that Electoral District when voting resumed on the following day at that Polling Station only.

6. Results

For ease of reference the number of seats won by the four (4) victorious parties are shown in the following tabulation.

Municipal Corporation/Regional Municipality Electoral Area	No. of Seats	COP	ILP	PNM	UNC	Party in Control

The number of candidates who lost their deposits totalled seventy-six (76).

Allocation of Aldermen

Based on the number of votes cast for the individual parties, the Commission allocated seats for Aldermen using the relevant provisions of the Act. The allocations are given in the Table hereunder.

Municipal Corporation/Regional Municipality Electoral Area		COP	ILP	PNM	UNC	Totals
1	Port of Spain	0	0	4	0	4
2	San Fernando	1	0	3	0	4

14	Tunapuna/Piarco	0	0	4	0	4
TOTALS		1	5	36	14	56

Following the allocation of aldermanic seats, the political parties were accordingly informed of their quota, and invited to submit to the Commission the names of the persons chosen as aldermen from the List of Aldermen (the List) which the party had previously submitted in compliance with section 12A(1) of the Act. Form **A-144** refers. See **Appendix X**. In this regard, the Commission acted in accordance with the provisions of section 13 of the Act.

Having thus been notified by the parties of the names chosen from the List, and by virtue of the authority vested in the Commission under the Act, its Chairman declared in writing to the Chief Executive Officer of each Corporation and to the Minister of Local Government the names of the said individuals.

7. **Recounts**

Recounts were undertaken in two Electoral Districts. These were requested by Ms. Premabhakti Samaroo-Dookhan: U.N.C. Candidate for San Juan East and Mr. Kenwin Williams: P.N.M. Candidate for Moruga.

In the case of the San Juan East recount the result remained unchanged. However, on October 25, 2013 Ms. Samaroo-Dookhan requested a check of the result of the poll in accordance with Election Rule 106 of the Representation of the People Act. This was conducted on October 31, 2013, and the result was an increase of three (3) votes for the P.N.M. Candidate, Mr. Raphael Adolphus John.

The other recount in the Electoral District of Moruga was triggered by an error in the completion of the Statement of the Poll made by the Presiding Officer for polling station No. 3450-2. Having tabulated the results, the Returning Officer declared the U.N.C. Candidate Mr. Phillip Gonzales as the winner. Subsequently, the P.N.M. candidate Mr. Kenwin Williams requested a recount. This did not change the result and he requested a check of the result. This was conducted on November 6, 2013 and this exercise also did not change the result

8. Commission Monitoring

The 4-member Commission including its Chairman was deployed on election-day to observe proceedings in all fourteen (14) electoral areas. Based on the reported observations, it may fairly be concluded that apart from the incident involving the mis-allocation of ballot papers previously reported, voting and counting were incident free.

Generally, the Commission was satisfied that the atmosphere of the election was calm and sober. The postponed election in the two (2) electoral districts of Techier/Guapo and Newlands/Mahaica took place uneventfully on Tuesday 5th November, 2013, and were also monitored by a member of the Commission as well as senior members of the Department.

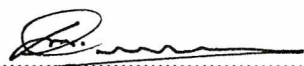

9. Closure

The results of the election reflected the free expression of the participating electorate.

Yours faithfully
