July 8, 2002

The Honourable Speaker,
House of Representatives,
Parliament Building,
Red House,
Port of Spain.

Sir,

1. Sub-Rule (6) of Rule 108 of the Election Rules (the sub-rule) made under section 161 (1) of the Representation of the People Act, Chapter 2:01 (the Act), prescribes in effect that the Elections and Boundaries Commission (the Commission) shall immediately after each election "cause to be printed a report giving –
 - (a) the number of votes polled for each candidate, by polling divisions;
 - (b) the number of rejected ballots;
 - (c) the number of names on the revised list of electors and on the list of special electors; and
 - (d) any other information that it may deem fit to include;and shall forthwith forward a copy of the Report" in the case of a Parliamentary Election to the Speaker of the House of Representatives.
2. Pursuant thereto, the Commission now submits to you a copy of its Report on the Parliamentary Election held on December 10, 2001. It sets out in Appendix I, the information required by paragraphs (a) and (b) of the sub-rule and in Appendix II, that required by paragraph (c) thereof.
3. The information and comments in the paragraphs which follow are given under paragraph (d) of the sub-rule.

Commissioners:
O. Wilson, C.M.T. (Chairman), L. Murray, C.M.T., M.O.M., F.R.I.C.S., R. John, M.Sc., D.I.C., Mark Ramkerrysingh LL.M.

4. A convenient summary of the data contained in Appendix I is set out in Appendix III. It shows, *inter alia* that the total number of qualified and eligible electors who exercised their franchise in this election was 609,571. This number constituted 69.64 per cent of the 875,260 names recorded in the revised list and the list of special electors compiled and published in accordance with the Act and the Rules made thereunder.
 5. The comparative percentages of the turn-out of electors at Parliamentary Elections in previous years were as follows:

66.13 per cent in 2001
63.05 per cent in 2000
63.30 per cent in 1995
65.76 per cent in 1991
65.45 per cent in 1986
56.43 per cent in 1981
55.83 per cent in 1976
55.17 per cent in 1971
65.79 per cent in 1966
88.11 per cent in 1961
 6. In this election, the Commission was allowed a period of five (5) weeks to organize and implement activities for the election, activities which included the conduct of electoral registration over the period – September 4–12, 2002.
 7. The Commission published the 2002 Annual List of Electors on July 01, 2002 as stipulated in Section 29 of the Representation of the People Act, Chapter 2:01. A publicity programme was launched prior to and following the publication and posting of the Annual List of Electors 2002, in an effort to encourage the public to check the electoral list. In addition to having the List available at its registration area offices for public inspection, the Commission also posted the List at two places in the polling division to which the List relates. The purpose for this additional step was two-fold:
 1. to allow for the correction of any inaccuracies appearing on the Commission's Register of Electors; and
 2. to encourage and facilitate the public to register or to regularise their registration status.
-

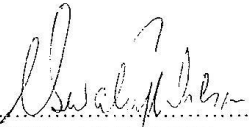

VII

8. The public was asked via media broadcasts on radio, television and in newsprint to take the opportunity to inspect the list of electors posted in their polling division, to report any inaccuracies relating to their names or addresses and to give information with respect to persons whose names appeared on the list, but who may have removed, migrated or died to the Registration Officer on a Form provided.
9. On Friday September 20, 2002 the Commission held a meeting with political parties at the Trinidad Hilton. At that meeting a number of issues, some of which were previously submitted in writing were raised, and, the Commission responded to all of them.
10. In his address to the electorate on October 06, 2002, Chairman, Mr. Oswald Wilson noted that this was the Third General Election in less than two (2) years, and that even though the Commission's resources were under heavy pressure, its staff had risen to the occasion and the system was fully prepared for polling day.
11. The Chairman in that same address mentioned the spate of attacks on the Commission that was carried in the media, and a pattern of allegations which he deemed frivolous and wicked. The ease, he went on to say, with which some people seemed to believe the Commission's voter registration and electoral processes could be outwitted, may have been due to the fact that they did not understand the safeguards in the system and the huge logistical hurdles involved in trying to evade those safeguards.
12. The Commission wishes to commend the public for its co-operation and also the assistance of the protective services in making a smooth and peaceful operation of the voting process on poll day. It can be asserted with assurance that the 609,571 electors who went to the polls and exercised their right to vote, did so peacefully, freely, fairly and fearlessly.
13. Appended to this Report also, for information, study and research are tables giving, inter alia, particulars of Electoral Districts, Polling Divisions, Candidates nominated, elected and rejected, Polling Stations and their distribution, the Votes received by each political party, the Votes cast by the electorate at each Parliamentary Election from 1961 to 2002, and a list of Returning Officers with their allocations to each of the 36 Electoral Districts.

These Tables are identified as Appendices.

VIII

Yours faithfully,

OSWALD WILSON,
CHAIRMAN.

LANCE MURRAY,
MEMBER.

RAOUL JOHN,
MEMBER.

MARK RAMKERRY SINGH,
MEMBER.
