# TO VOTE IS SIMPLE

## TOBAGO HOUSE OF ASSEMBLY ELECTIONS JANUARY 12<sup>TH</sup>, 2026

You should receive a poll card in the mail. Open it to find the address of your Polling Station. Keep the poll card safe and take it with you to the Polling Station on Election Day.

If you do not receive your poll card before Election Day, one will be prepared for you at the Polling Station.

You can visit our website at [www.ebctt.com](http://www.ebctt.com) or call the EBC Hotlines at 785-8206 or 785-8211 to find out the location of your Polling Station.

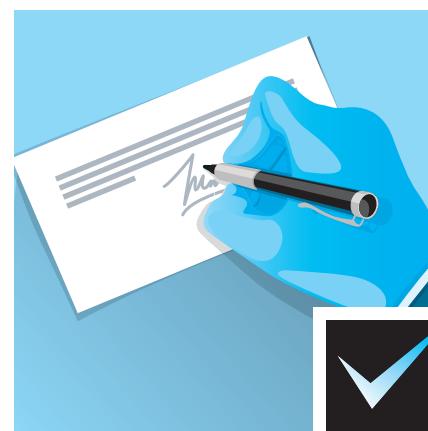

On Election Day you should check the Revised List of Electors posted outside the Polling Station for your name and number. Where there are several Polling Stations on the same compound, an Information Officer will direct you to your correct Polling Station.

If your name is on the Revised List of Electors and you have a valid ID card, you should join the **GREEN LINE**.

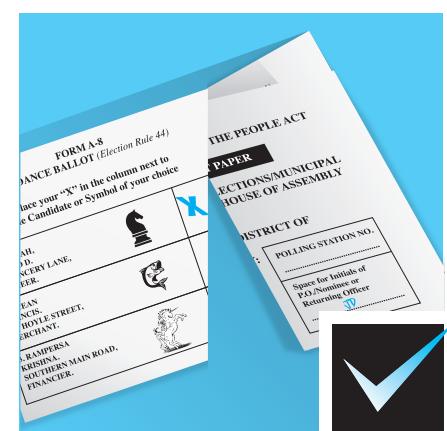

All other persons, including the physically incapacitated, blind or visually impaired persons, should join the **RED LINE**.

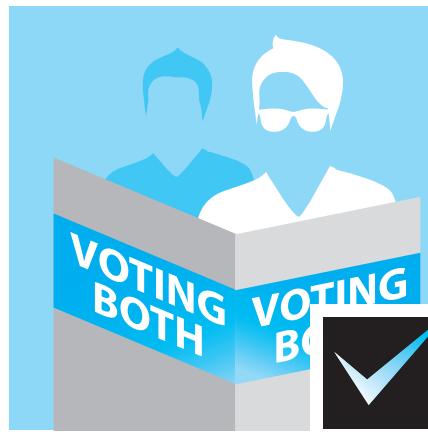

You are required to sign your poll card in front of the **Poll Clerk**.

The Deputy Presiding Officer examines your fingers and if there is no evidence of Electoral ink stains, issues a ballot paper.

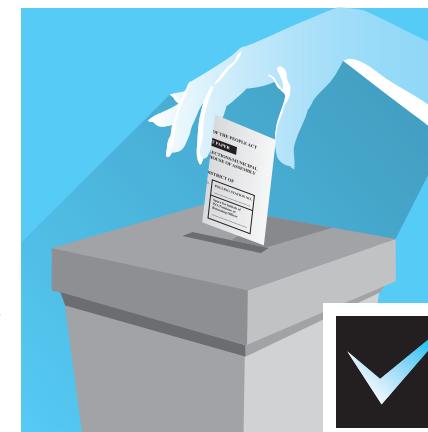

The Deputy Presiding Officer uses a Guidance Ballot to demonstrate marking the ballot paper with the X-stamp and shows how to fold it. The folded ballot should show the Deputy Presiding Officer's initials and the Polling Station Number.

A blind or incapacitated elector is allowed to vote with the assistance of a companion. In the privacy of the voting booth, vote by placing an X to the right of your candidate's symbol. If you make a mark other than an X your ballot will be rejected and not counted.

You will then be required to dip your index finger in the electoral ink. If you refuse to immerse your finger in the ink, you will not be allowed to place your ballot in the ballot box.

Once you have dipped your finger in the electoral ink, you are then allowed to place your ballot in the ballot box.
